Did you know?

100% of students earned acceptance to college.

Students enrolled at Don Bosco Cristo Rey become employees of the Corporate Work Study Program. The students work one day a week in a professional office. Workdays are built into the school schedule so that no classes are missed.

Small class sizes and structured interaction with faculty and staff ensure all students receive significant personal attention geared to their needs.

Our Carlyle Computer Lab is a Microsoft IT Academy. All freshman and sophomores will undergo Microsoft Office Specialist training in Word and Excel for professional certification.
